SAM Medical Quote ... for bleeding control, burns

External > Inbox x

David Jamieson (2) <president@northlincolncountycert.org>

Thu, Sep 26, 2024, 3:21 PM

to Jon, Randy, Sherry, Susan, bcc: David ▾

Hello,

As we discussed at the last LC5 meeting, I promised to reach out to SAM Medical and request a quote for items that assist with excessive bleeding and burns.

Since the quotes Susan developed were for Qty 70, I requested the same from SAM Medical. The quote below provides a 22% discount on the items. For example, the Bleeding Control Kit lists for \$52.99. The Chest Seals list for \$22.50.

It turns out the ChitoSAM product, when moistened a bit, is excellent for treating burns and of course is excellent for controlling bleeding.

The bad news is at Qty 70 for the three products we discussed (chest seal, ChitoSAM, Tourniquet) the total comes very close to our \$5K limit meaning there is little left over for anything else.

That said, these products are excellent and would be a great addition to an Active CERT Team member's backpack.

I have roughly 35 people on my CERT Team (Active members) who would benefit from these tools. So that's half the inventory right there.

-----//

Here is the revised quote with the products you requested. The ChitoSAM quoted is the 4"x 4ft.

Quantity	Item Desc.	Item #	Vendor	UOM	Unit Cost	Total
8	STB Kit	KT901-NV-EN	SAM Medical	each	\$ 41.50	\$ 332.00
70	SAM XT700	XT700-OR_EN	SAM Medical	each	\$ 25.50	\$ 1,785.00
70	SAM Chest Seal	CS202-EN	SAM Medical	each	\$ 17.50	\$ 1,225.00
70	SAM ChitoSAM	CT100-B-EN	SAM Medical	each	\$ 20.40	\$ 1,428.00
